Back Home Again

G *G7* *C*
There's a storm across the valley, clouds are rolling in,
D7 *G*
The afternoon is heavy on your shoulders.
G7 *C*
There's a truck out on the four lane, a mile or more away,
D7 *G*
The whining of his wheels just makes it colder.

G *G7* *C*
He's an hour away from riding on your prayers up in the sky
D7 *G*
And ten days on the road are barely gone.
G7 *C*

There's a fire softly burning, supper's on the stove,
D7 *G*
But it's the light in your eyes that makes him warm.

CHORUS

C *D7* *G* *G7* *C*
Hey, it's good to be back home again.
D7 *G* *C*
Sometimes this old farm feels like a long lost friend.
D7 *G*
Yes, 'n' hey, it's good to be back home again.
G *G7* *C*
There's all the news to tell him, how'd you spend your time?
D7 *G*
And what's the latest thing the neighbors say?
G7 *C*
And your mother called last Friday; "Sunshine" made her cry,

Baritone Chords

D7 G
And you felt the baby move just yesterday.

(Chorus)

C D7 G C
And oh, the time that I can lay this tired old body down

Am D7 G G7
And feel your fingers feather soft upon me.

C D7 G C
The kisses that I live for, the love that lights my way,

Am C D7
The happiness that livin' with you brings me.

G G7 C
It's the sweetest thing I know of, just spending time with you,

D7 G
It's the little things that make a house a home.

G7 C
Like a fire softly burning and supper on the stove

D7 G
And the light in your eyes that makes me warm.

C D7 G G7 C
Hey, it's good to be back home again.

D7 G C
Sometimes this old farm feels like a long lost friend.

D7 G
Yes, 'n' hey, it's good to be back home again.

D7 G
I said hey, it's good to be back home again.

Lava

[Intro]: C G7 F C G7 C (carry out C to the verse)

G7

A long, long time ago there was a volcano
F C G7
living all alone in the middle of the sea
C G7
He sat high above his bay watching all the couples play
F C G7
And wishing that he had someone, too.
C G7
And from his lava came this song of hope that he sang
F C G7
out loud everyday for years and years.

CHORUS

F C
I have a dream I hope will come true
G7 C
That you're here with me and I'm here with you
F C
I wish that the earth, sea, the sky up above-a
F G7 C
will send me someone to la-va.

C G7
Years of singing all alone turned his lava into stone
F C G7
until he was on the brink of ex-tinc-tion
C G7
But little did he know that living in the sea below
F C G7
a-nother volcano was listening to his song.
C G7
Everyday she heard his tune her lava grew and grew
F C G7
Be-cause she believed his song was meant for her

Baritone Chords

C G7
Now she was so ready to meet him above the sea
F C G7
As he sang his song of hope for the last time.

Chorus

C G7
Rising from the sea below stood a lovely volcano
F C G7
Looking all around but she could not see him
C G7
He tried to sing to let her know that she was not there alone
F C G7
But with no lava, his song was all gone
C G7
He filled the sea with his tears and watched his dreams disappear
F C G7
As she remembered what his song meant to her.

Chorus

C G7
Oh they were so happy to finally meet above the sea
F C G7
All together now their lava grew and grew
C G7
No longer are they all alone, with a-lo-ha as their new home
F C G7
And when you visit them this is what they sing.
F C
I have a dream I hope will come true
G7 C
That you'll grow old with me and I'll grow old with you
F C
We thank the earth, sea, the sky, we thank too.

Under the Bamboo Tree

C G7 C G7
Down in the jungle lived a maid, out in a palace in the shade,
E7 Am Dm G7
A marked impression once she made, upon a Zulu, from Mat-a-bu-loo...
C G7 C G7
And ev'ry morning he would be down underneath the bamboo tree,
E7 Am D7 G7
Awaiting there his love to see and then to her he'd sing: (He'd sing to her)

CHORUS

C F C F C F C
If you like-a-me like I like-a-you and we like-a-both the same,

I like-a-say, this very day, I'd like-ta change your name;
C F C F C F C
'Cause I love-a-you and love-you a-true and if you-a love-a me
G7 C
One live as two, two live as one, under the bamboo tree.

C G7 C G7
And in this simple jungle way, He wooed the maiden ev'ry day,
E7 Am Dm G7
By singing what he had to say; One day he seized her and gently squeezed her.
C G7 C G7
And then beneath the bamboo green, he begged her to become his queen;

The dusky maiden blushed unseen and joined him in his song.

(Chorus)
